

JANET WINS YACHT RACE BY TWELVE MINUTES

Six Boats Sail Over a Course Four Miles Long.

The annual fall yacht race under the auspices of the boat owners of Cumberland's boathouse was held yesterday afternoon.

The schedule for the start had been fixed for 1:30, but owing to an accident to the centerboard of the Ethel it was postponed for half an hour. The board could not be fixed, but the crew of the Ethel pluckily entered, handicapped as they were. The six yachts passed the line at 2 o'clock in one of the prettiest starts possible, but a few feet separating the contesting craft.

The course was from the boathouse around the last channel buoy toward the Long Bridge and return, a distance of a little over four miles. The breeze was light, but held fairly steady, and the distance was covered in an hour and ten minutes. On the third tack from the starting line the Janet took the lead and held it, finishing twelve minutes ahead of the Scot and twelve and one-quarter minutes ahead of the Starline.

The race was not marred by a single accident or foul, and the handling of the various boats was excellent. Perhaps the prettiest contest was between the Starline and Scot, which sailed almost within a stone's throw of each other during the entire time. They rounded the lower buoy almost together, the Scot finishing only fifteen seconds ahead of the Starline.

The yachts contesting and their crews were as follows:

Scot—H. A. Mattill, B. T. Rollins.
Starline—Thomas Chapman, Ernest Freese.

Skipjack—Dick Lavenport, Guy Glascoe.
Lucy—W. A. Kirkpatrick, Edwin Davidson.

Ethel—Joe Demaine, Unk Demaine.
Janet—R. L. Fryer, Don E. Clarke, J. Edwin Lawton, and Carl Sanborn.

Judges—Capt. George Davis and John Otis. Timekeepers—George Reynolds and William Clarke.

The Ethel finished fourth and the Skipjack fifth. The Lucy did not finish. This is the first event of the kind that has been held in the Georgetown channel for some years, but the success of the venture and the interest displayed by the people in that vicinity make a series of these contests a very probable feature in the future.

SAYS SHE AND BABY ARE DESERTED AND IN WANT

Mrs. Minick Sues for Separate Maintenance.

Mrs. Bertha M. Minick today filed suit against her husband, Ellsworth B. Minick, in the Supreme Court of the District for separate support and maintenance. They were married in this city in February, 1898, and in March, 1901, Mrs. Minick says, her husband deserted her and her child, leaving them without means of support. Because of the treatment, she states, she and her child have been often without food.

Mrs. Minick states that her husband is employed as a clerk at the City Post-office at a salary of \$1,300 a year, and that he spends his money drinking and gambling. She also says that he has resorted to every means to terrorize her. He keeps a pistol at his home, she states, and has often threatened to kill her. Edward S. Bailey is named as counsel for the complainant.

MORMONS STILL TEACH AND LIVE IN POLYGAMY

The Rev. Dr. George Bailey, of Salt Lake, at Gunton Temple Church.

The Rev. Dr. George Bailey, president of Westminster College, Salt Lake City, Utah, preached yesterday at Gunton Temple Memorial Church. His general subject was the growth of Mormonism. He said that in fact, perhaps six, States in the Union the Mormons hold the balance of power. The great danger in this condition of affairs, Dr. Bailey said, is that opposing political factions may venture combinations with the Mormons which would result disastrously to the best interests of those States.

The practices of polygamy, Dr. Bailey said, is vital to the theology of the Mormons, as well as to the sociology and political aims. Many of the elders and apostles of the Mormon church even now preach and practice polygamy.

Services at Headquarters and in the Churches.

The eighteenth anniversary of the Central Union Mission was observed yesterday by holding three special religious services. That of the morning was at Calvary Baptist Church at 11 o'clock. The Rev. Samuel H. Greene, pastor of the church, spoke on "The Central Union Mission: Its Objects; Its Work; Its Results."

In the afternoon at 3 o'clock a meeting was held at the Mission rooms on Louisiana Avenue, in which a large number of the churches of the city were represented. The Rev. Frank M. Bristol, pastor of the Metropolitan M. E. Church, addressed the meeting, and brief speeches were made by other clergymen present.

In the evening at 8 o'clock a special service was held for the Mission in the Mount Vernon M. E. Church. O. B. Brown, chairman of the board of directors, presided, and the musical program was under the direction of Page L. Zimmerman. The meeting was opened with a song service by the Mission singers and orchestra, followed by Scriptural reading and prayer by the Rev. W. T. Pierson. Rev. F. J. Prettyman, the pastor of the church, extended a welcome. Mr. Brown spoke upon the work of the mission, and W. S. Shallenberger, Second Assistant Postmaster General, delivered a brief address.

MISSIONARY UNION AT CATHOLIC UNIVERSITY

Will Prepare Priests for Non-Catholic Missions.

The Catholic Missionary Union has established its headquarters at Keane Hall of the Catholic University under the presidency of the Very Rev. Walter Elliott, C. S. P. It has already begun its work for the preparation of priests for the non-Catholic missions.

A large number of students, both lay and clerical, have registered during the week in the different graduate departments of the university.

The library has received from the Rt. Rev. Bishop Grace, of Sacramento, Cal., a gift of 197 volumes of old Spanish sermons and meditations.

The rector of the university, Bishop Conaty, has announced the receipt of \$10,000 from a priest in Pennsylvania for the establishment of a fellowship at the university.

The trustees of the Catholic University will meet in this city on Wednesday, November 12, and the archbishops of the United States will hold their annual meeting on Thursday, November 13.

BOYS' FIFE AND DRUM CORPS.

The boys of St. Paul's Catholic Church are manifesting much interest in their drum and fife corps formed some months since. The band is under the supervision of Prof. Charles Hazenmeyer, late of the United States Marine Band. It numbers over thirty-two members and bids fair to become one of the best juvenile musical organizations in the city. Prof. Hazenmeyer intends to put the lads through a thorough military instruction and has arranged to have an assistant who will teach the boys the necessary military tactics. The corps will in a short time be uniformed, after which it will appear in public.
